FIRST MOTHERS' MEETING

Held in Public School No. 19, of Which Miss Josie Lees Is Principal. Was Very Successful.

A pleasing and merited success attended the efforts of Miss Josie Lees, principal of public school No. 19, at the institution of the proposed monthly "mothers' meetings" in the school. Twenty deeply interested and proud mothers were present in response to the invitations sent to them by Miss Lees and they fully appreciated the efforts put forth, judging from their expressions of satisfaction afterwards. The intention of the principal is to engage the attention of the mothers to the school life of their pupils and thus bring about a co-operation along progressive lines, consequently doing away with the doubt and misunderstanding which often attends a teacher's work. The usual Friday afternoon exercises were gone through with. They consisted of recitations by the Misses Maude Moser, Verona Gould, Laura This, Hatlie Saunders, Lillian Toobey, and Fred, Shelton, Hawley Gould and Charles Hutehinson. Essays by the Misses Cora Cramer, Olivia Reese, and Master Arthur Kresky. A double quartette, composed of the Misses Saunders, Jones, Reed and Moser, and Masters Nichols, Griffiths, Burlingame and Hutchinson, rendered "Trust and Obedience." A male octette sang "Old Oak Bunker," Masters Marsh, Morgan, Feeney, Nichols, Griffiths, Jeremiah, Jones and Gould comprising the octette. Giles Burlingame gave a harmonica selection and the school sang several songs in chorus, and recited "Merry Gems" in concert. Master John Lewis made the opening address. Each part of the exercises was thoroughly rendered, showing care and effort upon the part of both pupil and instructor.

At the close of the exercises the pupils were dismissed and the "mothers' meeting" was held. Though at first a feeling of constraint existed, this soon disappeared under the influence of a little address made by Miss Susan Dickinson, who spoke along the lines of the purpose of the meeting. Miss Lees also spoke, urging a deeper interest of the mothers in their children's school life. The initial success dispels all doubt, and these "mothers' meetings" will become a monthly occurrence, taking place in the several rooms in No. 19. This school graded in Grammar C. Yesterday afternoon's experiment will no doubt bear much fruit along needful lines.

PHYSICIANS DAFFLED.

Prof. R. S. Bowman, Instructor of Natural Science in Hartsville College, Cured of a Severe Illness by Dr. Williams' Pink Pills for Pale People after Physicians Failed.

Prof. R. S. Bowman.

Some time ago he had a severe illness which was cured almost miraculously. A reporter hearing of this, interviewed him regarding his experience. Prof. Bowman was in the midst of his work when the reporter called, but he cheerfully gave him a hearing. "A year ago last fall," said the professor, "I broke down with nervous exhaustion, and was unable to properly attend to my duties. I tried different physicians but with no relief, and also used many different pro-

prietary medicines, spending almost fifty dollars for these medicines. I then succumbed to a siege of the grip in the middle of winter, and was left in a much worse condition. My kidneys were fearfully disordered, and my digestion became very poor. I was indeed in a bad condition.

"A minister in conference learning of my condition advised me to try Dr. Williams' Pink Pills for Pale People. I had heard much about the wonderful curative powers of this medicine, but it was with reluctance that I was finally persuaded to try it, as it seemed that nothing could do me any good. However, I procured three boxes of pills and took them strictly according to directions. By the time the last dose was taken I was almost cured, and in better health than I had been for years. I continued using the pills awhile longer and was entirely cured. I can cheerfully recommend Dr. Williams' Pink Pills for Pale People.

Such was Professor Bowman's wonderful story which was further endorsed by the following affidavit:

HARTSVILLE, Ind., March 16, 1917. I affirm that the above records with the facts in my case.

Subscribed and sworn to before me this 16th day of March, 1917.
